OUR CAMP PHILOSOPHY

We provide a safe, fun, magical and educational experience for all guests and children through the demonstration of our four core values – Honesty, Caring, Respect and Responsibility – and practicing a “Kids and Guests first” philosophy.

OUR STAFF

Camp Widjiwagan selects role models who are dedicated to guiding your child’s emotional and physical development while at Camp. Caring counselors will build confidence in children by encouraging them to try new activities and make new friends by modeling honesty, caring, respect and responsibility. All staff members undergo extensive training to strengthen leadership and life skills.

CAMP BUILDS STRONG KIDS

Camp provides children with a community of caring adults who nurture experiential education that results in self-respect and appreciation for others. Campers return home more caring and more equipped to stand up for what they know is right and more responsible. Camp is an experience that shapes ones character and life by providing a controlled, safe environment where children are able to make their own decisions. Camp grows children into happy, healthy, independent, confident and capable people.

Program: Widji campers choose their own adventure! Instead of providing the same program for all children, they can customize their outdoor summer camp experience. Options include sailing, zip lining, skiing, climbing, banana boat rides, horseback riding, and more!

Facilities: Located on 3 miles of Percy Priest Lake shoreline, Camp Widjiwagan has acres of forest and green grass serving as the setting for magical adventures that campers choose.

Staff: All Day Camp counselors are extensively trained in team development, character building, and skills facilitation. With one-to-three weeks of staff training, Widji counselors are prepared to teach and care for campers all summer.

Meals: Day Campers are provided lunch and snack every day so there’s no need to pack meals throughout the week. Each session’s menu is listed on campwidji.org prior to the week’s beginning.

Transportation: For those who cannot drive to and from camp every day, we also offer bus transportation. Bus counselors ensure each child arrives at camp in the morning and gets back to the bus site safely in the afternoon. The 10 bus site locations are listed online at campwidji.org.

Health and Safety: To protect children from harsh weather, Day Campers have routine sunscreen, water, and shade breaks. Every child carries a water bottle throughout the day with opportunities to refill at any time. Every tribe also has daily swim time either in the lake or swimming pool to cool off
